FROM THE EXECUTIVE DIRECTOR'S DESK

Assalamu'alaikum w.r.h

Welcome back to Madrasah Aljunied Al-Islamiah! We hope you had a fruitful June holiday.

This semester will be looking ahead to more activities and learning programmes. In addition, our students will be sitting for national examinations like PSLE and 'O' Level while our Pre-U 2 students will be preparing for their final year assessments that will determine their graduation. Let us pray for them.

We will continue our collaboration with Nanyang Primary School for Racial Harmony Day with the involvement of Primary 4 students. Congratulations to our Malay debators who have given their best in 4PM and Berita Harian Debate. Our KPE students will be competing in an Arabic competition this July in USIM, Malaysia. We wish them success.

Finally, I would like to take this opportunity to wish all staff, parents and students 'Ramadan Al-Mubarak'. May Allah give us the strength to perform our *ibadah* in the best of iman. Amin.

Wassalamu'alaikum w.r.h.
